### **Special Features and Events on Stage:**

#### **Special HawkQuest "Owls of the World"**

**Saturday, October 12; 11:00am-12:00pm Onstage**

In this fascinating trip around the world, meet live owls from six continents! HawkQuest and select birds will also be available from 12:00-1:00pm for more learning and interaction!

#### **Kids' Grape Stomping with Balistreri Vineyards**

**Sunday, October 13; 11:00am & 1:00pm**

In this barefoot bonanza, children get to stomp next year's "Little Feet" Merlot with their own two feet! Adults are welcome to purchase last year's "Little Feet" wine as well as to pre-purchase this year's "Little Feet." Wine pre-purchases benefit Children's Hospital Foundation!

Grape stomping is free! When you arrive, simply register with Balistreri Vineyards on Aisle 25 and get your child's purple wristband!

#### **Nocturnal Navigators**

**Sunday, October 13; 11:00am-2:00pm**

*Nature's Educators.* Stop by the Nature's Educators booth to meet and learn about animals that are active at night! Nocturnal and crepuscular animals have different features and behaviors that help them navigate the dark. Meet an owl and a few other creepy-crawly critters!
