### **Special Features and Events on Stage:**

#### **Alpacas**

**Saturday, October 26; 10:00am-3:00pm**

Meet these sweet, gentle animals up close! Alpacas are a member of the camelid family, closely related to llamas and camels. Snap some fun photos and shop alpaca products!

#### **Dr. Mike's "Bag of Bugs"**

**Saturday, October 26; 11:00am-2:00pm**

Stop by this lively, interactive display to learn about insects and their relatives, the arthropods! Living and preserved specimens of the major arthropod groups will be exhibited, including representatives of insects, arachnids, crustaceans, centipedes, and millipedes. Co-founders of the Butterfly Pavilion, "Dr. Mike" Weissmann and Rachel Williams, will provide opportunities to handle some of the animals and to get your buggy questions answered.

#### **The Bat Cave with Garden of the Gods' Bat Naturalist**

**Saturday, October 26; 11:00am-3:00pm**

Join our friend Jeanne McElderry from Garden of the Gods to learn more about the amazing world of bats!

#### **Jackman Brothers "Creature Feature"**

**Saturday, October 26; 1:30-2:30pm**

Watch a cast of rescued reptiles entertain and educate! Meet an albino Burmese python and learn about the fascinating habitats of tortoises, lizards, and other creatures from around the globe. This interactive program is a great way to discover that the not-so-creepy-crawlies have an important place in our world.

**Colorado Wolf Adventures**  
**Sunday, October 27; 11:00am-12:00pm**

Learn about the history and biology of wolves and discover their role in our ecosystem. Bring your questions about wolves and better understand their world. At the end of the presentation, a live Wolf Dog Ambassador will make a special appearance on stage!

**Top Hogs Performing Pigs**  
**Sunday, October 27; 1:30-2:30pm**

You have to see it to believe it! As the country's premier trick pig act, these talented pigs perform amazing tricks - from making slam dunks to answering fan mail! Join us for fantastic family entertainment at its best.
