# Tagawa Gardens Loves Pets!

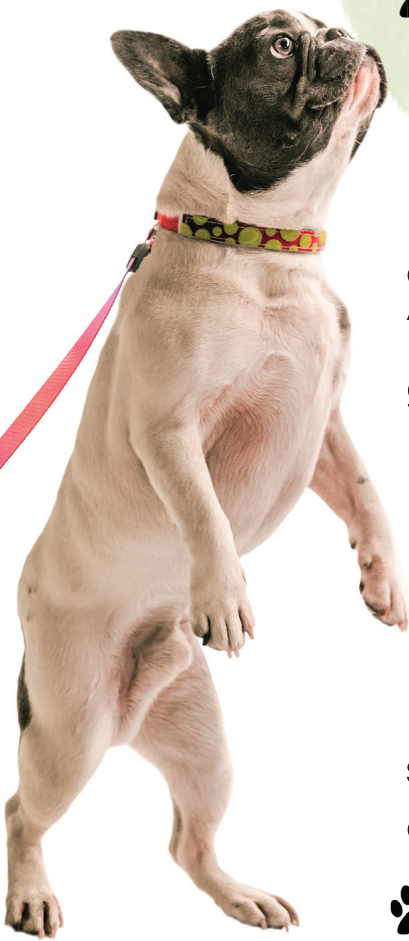

---

Dogs and cats are welcome at Tagawa Gardens but must be current on vaccinations and restrained at all times (leashed or in a carrier).

 **Service animals are always welcome!**

 **Cleanup:** To maintain an enjoyable environment, we expect that our guests come prepared to clean up after their pets. Additional cleaning supplies are available at Guest Services. Please have your dog “visit” a grassy or mulched area before entering the garden center or outdoor nursery.

 **Exotic Pets:** In consideration of other guests, we ask that owners of exotic pets, including reptiles, birds, ferrets, and arachnids, obtain prior permission before their visit. We reserve the right to refuse the presence of certain pets on our premises due to safety concerns or conflict with other pets that are already visiting.

 **Assumed Liability:** Please note that at any time, we may have dogs, cats, farm animals, and other animal ambassadors on the premises. By bringing your pet into our store, it is at your own risk, and you agree to accept liability for any damage caused by or to your pet.

*In May, we kindly ask that you leave your pets safely at home due to the high volume of guests and shopping carts.*
